2018-2019 Founders' Day Dinner

On Tuesday, February 26, 2019, our community will join more than 6 million national members of the PTA to celebrate Founders' Day. As the name suggests, this is an event that commemorates the founding mothers of the PTA and the educators, parents, and volunteers who support our children on a daily basis. A highlight of the evening is a ceremony that celebrates the Honorees from each school for the Educator of the Year, Member of the Year, and Support Staff of the Year.

October 17, 2018

Dear Berkley Families,

We are part of a very generous community who works hard to support one another during all times of the year. During the holidays, our generosity is magnified through programs such as *Caring & Sharing,* a great Berkley tradition. Because need is not just specific to the holiday season and because families in need benefit from continued support – ***The Berkley Digital Food Bank*** was formed.

We are excited to get ***The Berkley Digital Food Bank*** up and running again this year. As we all know the need for food is continuous. Since it may be embarrassing for high school students to receive bags of food for the weekends, the digital food bank avoids this discomfort by providing identified students with gift cards to use as needed.
With your donations, food gift cards will be purchased from Little Caesars or Aldi. Counselors will then be able to give those $5 or $10 gift cards to students in a confidential manner each Friday so that they can purchase lunch or dinner on the weekends outside of the school lunch program.

Those interested in donating to The Digital Food Bank may do so via our new Go Fund Me Account which accepts credit card donations online! You can also donate via check made out to: Berkley High School (memo line Digital Food Bank). There will be a Digital Food Bank envelope for check donations in the Berkley High School Counseling Office.
We are looking for donations, either a one-time donation or whenever you can, with the hope this can help our students so they may learn and feel better throughout the school year.
If you have any questions, please feel free to contact me directly at: **radner.katie6@gmail.com**

Thank you for your support and consideration.

Sincerely,

Katie Radner
Berkley High School Student Digital Food Bank Chairperson radner.katie6@gmail.com
