

2018-2019 - Class Party and Birthday Treat Information

Angell Elementary School is committed to creating safe spaces for all students. Many students have diagnosed allergies that at times can be life threatening. In effort to minimize any risks associated with peanut/tree nut allergies or other allergies, Angell is initiating the following guidelines:

- **All birthday treats and class parties of any nature will be FOOD FREE events.**
- Students are still welcome to bring and consume food items that contain peanuts/tree nuts at lunch or as a snack as long as their classroom is not peanut/tree nut free.
- In the event a student is invited into a classroom (this includes the media center) for lunch their lunch must be peanut/tree nut free.

We appreciate your cooperation. For your convenience the list below can help you identify safe snacks and food items.
