School Annual Education Report (AER) Cover Letter

August 20, 2012

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2011-2012 educational progress for the Angell Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Anthony Stamm, Principal at 248-837-8700 for assistance.

The AER is available for you to review electronically by visiting the following web site www.berkleyschools.org or you may review a copy from the Principal's office at your child's school.

Adequate Yearly Progress (AYP) – Status
AYP Status is based on student participation and proficiency in mathematics and reading. Attendance targets must be met for elementary and middle schools and graduation rate targets must be met for high schools and districts.

For 2011-2012, Angell Elementary School made Adequate Yearly Progress (AYP) in the tested subjects (mathematics, reading, science). While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

Top to Bottom Ranking – Detail Data and Status
Information used to rank schools is based on the development of the Top to Bottom list of schools and their performance. Each school's Top to Bottom ranking will be based on student achievement, student growth over time, school improvement over time and achievement gaps across all five tested subjects (mathematics, reading, science, social studies and writing). Angell was ranked in the 87th percentile in the State according to the Top to Bottom ranking.

State law also requires we report on the following:

1. **Process for Assigning Pupils to the School**
   Angell is a neighborhood school with the following boundaries in the City of Berkley:
   North of 11 Mile, East of Greenfield, South of 12 Mile, West of Coolidge
   Students who live outside of the Berkley School District boundaries have the option to apply for enrollment through the Schools of Choice process – see SOC information at:
   http://www.berkleyschools.org/pages/51059/schools-of-choice

2. **Status of the 3-5 Year School Improvement Plan**
   Angell Elementary School's Improvement Plan is directly aligned to state and federal mandates. During the 2011-12 School Year, our staff focused on goals in Reading, Writing and Math. The goals were written based upon a review of the student achievement data from the 2010-11 school year. Data from the following sources were reviewed MEAP, Dibels, AIMsWeb, etc. Staff had an active role in the School Improvement Plan through the following committees: Reading, Writing and Math. School Improvement is an ongoing and reflective process that requires collaboration and effort through professional development, analysis of student data, and the review of instructional practices. Angell's staff is constantly reviewing student data and instruction in an effort to improve learning and instruction. Analysis of data is achieved through district data teams, building grade level teams and our SIP Action Teams all of whom meet regularly to assess the results of Angell's data.

3. **Core Curriculum**
   Berkley has a comprehensive, sequential core curriculum with established learning goals for students. Our "Berkley High School Profile" serves as our guide for curriculum planning and for developing student learning assessments as we prepare students to take their place in the adult world. As we strive to meet our goals, we are also guided by our mission, the district's Long Range Plan & Vision 20/20, the Michigan Grade Level Content Expectations and the Common Core. Angell staff's focus is to provide all learners with a solid foundation of academic skills, knowledge and the understanding of learning that is necessary for success within the school setting and world community. Supporting our excellent teaching staff, technology also plays an important role in instruction and learning. Technology is widely available to staff and students throughout the district and is utilized across the curriculum. In addition, all students K-12 enjoy a robust Fine Arts curriculum including band, orchestra, choir and art.

   Please visit our website to view the full district report and information regarding curriculum.

4. **Please view the attached documents with Angell test scores for 2011-12.**
   Additional data is available on the State of Michigan's website: www.mischooldata.org

5. **Parent/Teacher Conferences Data**
   100% of Angell parents attend parent/teacher conferences.

At Angell Elementary, we continue to improve our core instruction to meet the needs of all learners through rigorous instruction, intensive interventions and purposeful teaching. We strive to ensure that all students achieve academic and personal growth across the curriculum in a safe, supportive, and engaging environment.

Please visit our school website to see additional Points of Pride at www.berkleyschools.org

Sincerely,

Anthony Stamm
