

# SATURDAYS FOR SUCCESS

## LITERACY & MATH SUPPORTS

### For all Berkley School District Students

Sponsored by: Berkley School District &  
Berkley African American Parent Network

**October 09 – November 13, 2021, 9:30–11 am**

Classes held at: **Berkley High School - 2325 Catalpa, Berkley, MI 48072**

The **Saturdays for Success Program (S4S)** is sponsored by the Berkley African American Parent Network (BAAPN) in partnership with the Berkley School District. The purpose of S4S is to help all Berkley students have a successful K–12 Academic experience by providing educational opportunities in literacy and math, and developing study skills that will ensure long-term success.

**We have added an Introduction to Money Management session this year! The session is available on a first come basis while spots are open for 6<sup>th</sup>–12<sup>th</sup> graders.**

These goals are accomplished through the following S4S strategies:

1. Saturday tutoring, homework help, and small group work for middle and high school students in math and language arts for students in **6<sup>th</sup>–12<sup>th</sup> grade**.
2. National Honor Society High School student volunteers to assist.
3. Parental involvement – Parents who fill out the school district volunteer forms are able to take a hands on approach to assisting students in the program.

**Schedule** – Classes will be held on: October 9, 16, 23, 30 November 6, and 13 from 9:30–11 am at Berkley High School.

**Fees**– The cost of the program is \$20 per student (fee covers all 6 sessions). If your family is eligible for free and/or reduced lunch benefits the cost is \$10 per student.

### **Behavior/Attendance Policy**

Prompt and consistent attendance is expected for the duration of the program. Parents are responsible for all transportation to and from the school AND students are to be picked up by an adult in a timely manner upon dismissal from the class at 11am. Failure to comply with this policy may result in dismissal from the program. The Berkley School District Student Code of Conduct is fully applicable during the S4S program.
