

What can parents do to help?

Exhibition involves all of the **Transdisciplinary Skills** in action.

- **Thinking skills:** acquisition of knowledge, comprehension, application, analysis, synthesis, evaluation, dialectical thought, metacognition
- **Social skills:** accepting responsibility, respecting others, cooperating, resolving conflict, group decision-making, adopting a variety of group roles
- **Communication skills:** listening, speaking, reading, writing viewing, presenting, non-verbal communication
- **Self-management skills:** gross motor skills, fine motor skills, spatial awareness, organization, time management, safety, healthy lifestyle, codes of behavior, informed choices
- **Research skills:** formulating questions, observing, planning, collecting data, recording data, organizing data, interpreting data, presenting research findings

Norup students have had exposure to all of these Transdisciplinary Skills throughout the PYP years. Exhibition is a chance for students to share these skills with parents and the community. Below are some things that you can do to help prepare your students for the big day!

- visit any library and learn about available resources
- practice locating credible information
- practice presenting to adults through a variety of media (art, drama, music, etc.)
- and most importantly, REHEARSE their Exhibition project
