COACH!!!

We rely on parents of Battle participants to be our team coaches. Each team will have one parent who helps them stay organized and practice. As a coach, you would be responsible for attending lunch meetings (see Battle Newsletter) and also join your team on Battle Day to cheer them on. Our coaches help students decide who will be reading which books, quiz students over practice questions we provide, and discuss Battle Day strategy.

Battle Day Helpers

We will need parents on the day of our Battle to help with several tasks: picking up pizza for our students, serving lunch, keeping score, being our timekeeper, etc. If you are interested in helping out, please let us know! We will send out a more detailed sign-up as the Battle approaches.
