

Norup International School

Incoming 7th grade parent night
February 25, 2021

Welcome to 7th grade - What's Different?

- 7th grade is generally a “tween” year. Parenting can be a major challenge during the 7th grade year. It is likely that your child is going to make some decisions that baffle you.
- 7th grade is more academically challenging for many students than 6th grade was. Many (not all) will run into some adversity academically.
- The workload (homework) is generally greater in 7th grade than 6th grade
- Friend groups change greatly in 7th grade.
- Mondays after Bar Mitzvahs and Bat Mitzvahs can be tough for many 7th graders.

What's Different? - continued

- English no longer a block - another hour opens up in the schedule
- More elective choices are available for 7th graders than 6th.
- More athletic opportunities available (football, boys basketball, girls volleyball)
- Greater expectations and responsibility placed upon students
- It's one of the best years for students to learn from their mistakes

Let's Talk Curriculum And Scheduling

- Language and Literature (ELA or Language Arts)
- Individuals and Societies (Social Studies)
- Science
- Mathematics
- World Language
- Student Supports
- The Rotation
- Elective Classes

Our Middle School Curriculum Will Prepare Your Child For High School

- Less than 2% of current 10th graders classes at BHS attempted were failed in 9th grade in their first semester
- Colleges that last year's seniors who went to Norup enrolled at: Northwestern, Brown, Michigan State, Michigan among many others
- It is time to start looking at paths to high school graduation and curriculum. It is not too early to start looking at these with your children
- Berkley High School, CASA, OSTC offerings

 - The Algebra II requirement may not be there when your children get to high school

World Languages

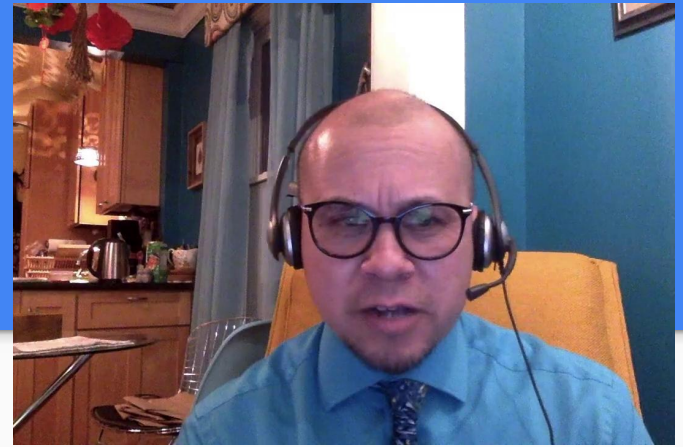

- Spanish and French currently, other options available at high school
- Not required to take a language in middle school - parent and student choice
- Intro to French/Spanish **STRONGLY RECOMMENDED** for 7th graders
- 7th graders taking Spanish I or French I will find it to be their hardest class by a longshot
- Spanish I/II and French I/II grades taken at Norup go on high school transcript, but not in BHS GPA. A repeated course will be evident on transcript.
- Highly selective colleges prefer to see two years of foreign language taken during high school.

World Languages Continued

- Intro to French/Intro to Spanish focus on culture, vocabulary and building interest/fun.
- Spanish I/II and French I/II keep pace with the high school classes utilize the same assessments.
- High School - currently two years required, may be changing
 - Level I
 - Level II
 - Level III
 - Level IV
 - AP
- Other language options available at Berkley High School

Support Classes

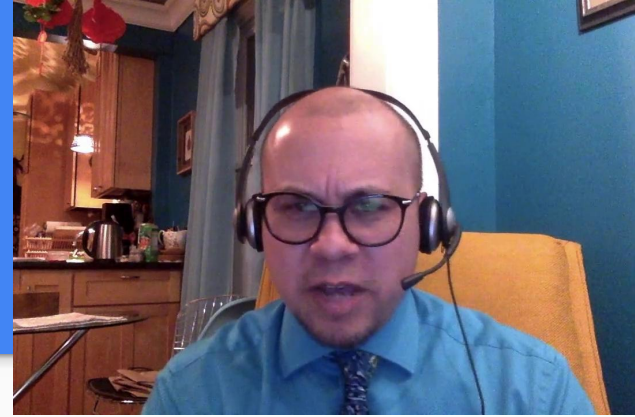

- Math Support - 2 sections capped at 15.
 - Candidates
 - Math Safe Space
- English Support - 1 section. Designed for students who need more reading time, individualized writing support, or really still need two hours of ELA.
- Study Skills
 - Planning Time for students, Assignment completion
 - Use it or lose it - not for everyone
- Learning Resource Center
 - Students with an IEP
 - It's not just a study hall!

The rotation

- PE 7 = 20 weeks, Health 7 = 10 weeks, Math 7+ = 10 weeks
- Math 7+ can be replaced with PE+
- Math 7+ => Data and Statistics continued from 6th grade
- Health 7 => Food/Diet/Nutrition, CPR, Social Media
- A student may opt out of the rotation and take a third full year elective.
When a child has opted out, the 7+ content is their responsibility.

Electives

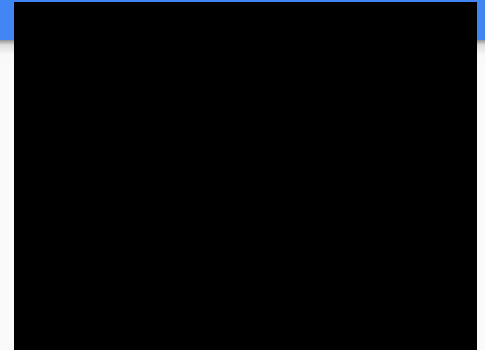

- Choir - potentially a combined 7th/8th grade for next fall
- Orchestra - combined 7th/8th grade
- Band - Band 7, Band 8 are currently separate classes
- Robotics - can be taken in any year, mixed classes
