

Rogers Elementary PTA Special Meeting Minutes January 25, 2021

Call Meeting to Order

- Meeting called to order by Katie Blackburn, President at 7:03 p.m.
- 11 in attendance

Presidents' Report – Katie Blackburn

- A survey was sent to teachers to determine who would find it helpful to have scrubs or lab coats to change between student groups. Not all teachers felt these were necessary. Most requests were from the lower grades. One teacher has purchased a lab coat on their own and to purchase a similar coat we are looking at \$23 per coat from Scrubs & Beyond. If we spend \$600 we get a \$60 discount and free shipping. To purchase coats for 20 staff (2 coats per person) at \$23 each we are looking at approximately \$900. To make sure we have all expenses covered a motion was made by Katie Blackburn to approve an expense of \$1000 for lab coats. Abby Watteny seconded the motion and it was approved.
- It will be helpful to have bins outside of each classroom where teachers can place any classroom materials (i.e. math manipulatives) that need to be sanitized after being used by students. We will look into using extra recycling bins and/or obtaining additional recycling bins possibly through the DPW.
- Mrs. Halas and Mrs. Capuano will ask that teachers submit any out-of-pocket reimbursement requests that they have to date.

Meeting adjourned at 7:16 p.m.
