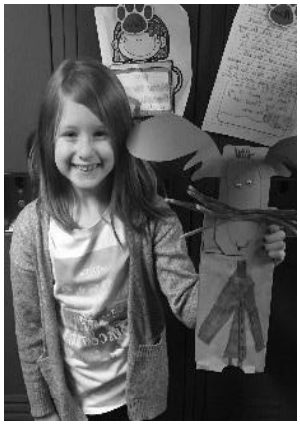
Reading Month Character Parade

March 24

Dear Parents,
We have another exciting event planned. All students are encouraged to participate in the character parade – a fun Reading Month tradition! Recreate your child's favorite book character on the front of a paper bag and on Tuesday, March 24th all participating students will parade around the school to look at each other's creations.

Here are the simple steps to complete this project:

1. **Select a favorite book character.**
2. **Get a paper bag – any size.**
3. **Create a picture of the character using any materials you have around the house. Be creative!!**
4. **Don't forget to put the name of the character somewhere on the bag.**


We look forward to seeing the different book characters "come to life" on that day!
